AIR

JUN-AIR[®]
Made in Denmark

The most reliable oil lubricated air compressors in the world are also the quietest. Jun-Air.

When you're looking for a reliable supply of quiet compressed air then look no further than Jun-Air. Jun-Air oil lubricated compressors are the perfect choice. Precision engineered to exacting standards using quality, long lasting components, Jun-Air oil lubricated compressors deliver compressed air quietly, reliably and economically. They're compact, robust and virtually maintenance free. And with a wide range of units available you'll find Jun-Air makes the perfect silent partner for your business.

More Reliable

Manufactured in Denmark, Jun-Air compressors are renowned for quality and reliability. Jun-Air have specialised in, and developed compressed technologies for over 50 years. All Jun-Air compressors come with a full five year warranty and the support of the world's leading compressed air equipment supplier.

MAXIMUM PERFORMANCE FROM A QUIET ACHIEVER.

6-4

Oil Lubricated Compressor with 1 x "6" motor mounted on 4 litre tank

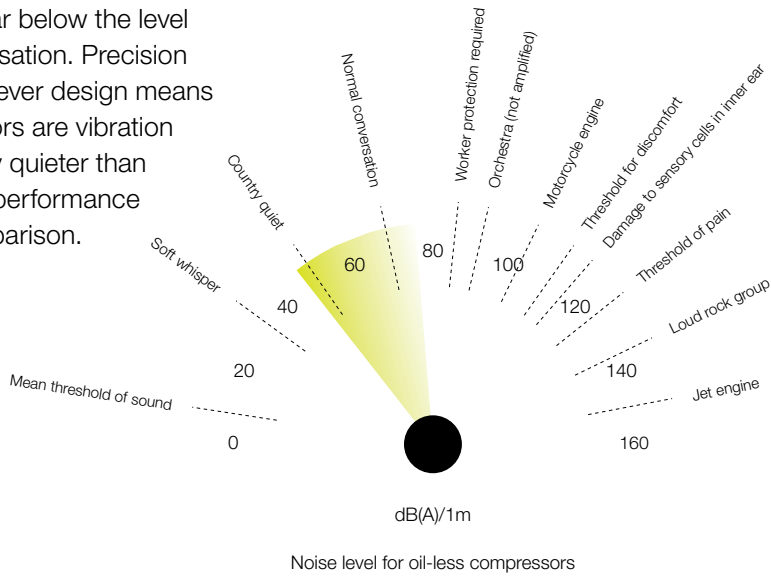

6-25

Oil Lubricated Compressor with 1 x "6" motor mounted on 25 litre tank

JUN-AIR[®]
Made in Denmark

Whisper Quiet

The noise level from a Jun-Air oil lubricated compressor can be as low as 35dB(A) - far below the level of a normal conversation. Precision engineering and clever design means Jun-Air compressors are vibration free and noticeably quieter than other makes on a performance to noise level comparison.

Jun-Air oil lubricated compressors are quiet, robust, compact and vibration free.

12-25

Oil Lubricated Compressor with 2 x "6" motors mounted on 25 litre tank

18-40

Oil Lubricated Compressor with 3 x "6" motors mounted on 40 litre tank

24-40

Oil Lubricated Compressor with 4 x "6" motors mounted on 40 litre tank
