EOFY

Don't Miss Out on the OPPORTUNITY!

How to **TRADE UP.**

- 1 Send us photo of your equipment and label including serial no. and manufacturer date.
- 2 Receive the discount code.
- 3 Choose your new products and request quotation.

Maximise **EOFY** benefits! Get up to **\$20,000** in tax savings with every purchase of Vatech intraoral products

As the end of the financial year approaches, it's not just about balancing the books. For businesses, particularly in the dental industry, it's also a time to capitalise on tax benefits and take advantage of special promotions.

TAX BENEFITS

TAX BENEFIT: Capital Equipment Instant Asset Write-off

- Small businesses with a turnover of up to \$10 million can immediately deduct the full cost of eligible assets less than \$20,000
- These assets must be first used or installed ready for use between 1 July 2023 and 30 June 2024.
- Can be used for multiple assets if the cost of each individual asset is less than \$20,000

Dental practitioners can claim deductions on the purchase of qualifying equipment, thereby reducing their taxable income and ultimately lowering their tax liability. The benefit extends to a wide range of equipment, including intraoral X-ray equipment, and digital imaging systems, among others.

Vatech's **EOFY** Promotions: Seizing the Opportunity

As the financial year draws to a close, Vatech Australasia is offering exclusive End-of-Financial-Year (EOFY) promotions to help dental practices maximise their savings and elevate their capabilities.

VATECH EOFY 1: **TradeUp & SAVE**

Trade Up & Elevate!

Upgrade Your Equipment With
Vatech And Receive **Unbeatable**
\$\$ Value!

Is your dental practice still relying on outdated 2D/3D technology? It's time to break free from limitations and embrace the cutting-edge capabilities of Vatech CBCT technology. With our exclusive Trade Up & Elevate promotion, upgrading your equipment has never been easier.

Vatech Will Upgrade You
No Matter the **Brand**
No Matter the **Age**

At Vatech, we believe in empowering dental practices with the latest advancements in imaging technology. That's why we're offering to upgrade your old equipment, regardless of its brand or age. Say goodbye to outdated systems and hello to the future of diagnostic imaging.

Why Should You Trade Up?

There are drawbacks for relying on outdated technology which can impact your practice.

How many of the boxes below can you tick?

- ☐ Your diagnostic capability is limited thus you have to send your patient out for additional scans
- ☐ You have to retake the x-ray due to poor image quality
- ☐ You take multiple images due to limited image size
- ☐ You experience inefficient workflow and incompatibility issues
- ☐ You are worried of radiation exposure for your patients and staff
- ☐ Your outdated machine requires frequent maintenance and repair
- ☐ Your old equipment reduces patient comfort due to longer scan times

If you have ticked 2 or more boxes, it's time to upgrade!

Don't let outdated technology hold your practice back! Take advantage of our Trade Up promotion today.

Ready to make the switch to Vatech CBCT? It's as easy as 1, 2, 3!

- 1** Send us a photo of your old equipment and the label that shows the serial number and manufacturer date.
- 2** Receive the discount code from Vatech.
- 3** Choose your new Vatech CBCT and request for a quote.
